

Darwin, Evolution & Faith

1. In your own words, explain why Darwin's theories have such a religiously troubling idea.

Three approaches to Darwin & Religion

CONFLICT

2. Who are the two sides in conflict approach?

CONTRAST

3. Explain this approach.

4. How are Darwin, Galileo, and Wegener similar?

CONVERGENCE

5. Explain this approach.

Noah Clip

6. Which of the approaches to Darwin & religion does the *Noah* clip demonstrate? How do you know?

7. In order to have a proper debate between evolution and creationism decide what three disciplines you would want on each side. Explain why they would be the *best* individuals to have on each side of the debate.

Evolution

Creationism
